ABOUT US

DELIVERING THE FINEST SINCE 1990!

Having been established in the year 1990 as Re-Tax Electricals Pvt Ltd by Mr Gian Chand Bansal, the brand name "TREMANS" also known as "Top Ranked Electrical Manufacturer Across Nations" is a renowned and reliable manufacturer and supplier of Electrical products in Delhi, India. At the time of establishment, things weren't that easy or technology wasn't as updated as it has become today. Things didn't move along as smooth back then, a lot more sweat and effort were made to get the company where it is today.

Over a while, the company has added so much more value and precision in its process, with the constant addition and up-gradation of modernised technology, designing, superior quality and quality checks at all manufacturing stages. The brand has left no stone unturned to move along with the changing times. Therefore, the customers are satisfied with almost no complaints.

Treman strives to create various experiences by bringing freshness to the table in terms of design, simplicity and elegance. Each day, we work hard to bring something better to the customers and maintain the finishing of each of the products.

The switches at Treman have been designed minimalistic and diligently, keeping in mind the modern outlook of homes. Nowadays, it becomes essential that modular switches speak about the lifestyle, reflect modernity and are a status symbol as well. The unique modular switches are not only elegant but balanced in terms of quality, design, and appearance.

OUR PHILOSOPHY

Our philosophy from the beginning has been to create switches, with extreme quality, durability and fine detailing. Our experts keep a tab on the entire process and put all efforts into the making of the final product. We strive to manufacture and supply products that are a solid reflection of our hard work, and dedication.

WIDER NETWORK, WIDER REACH!

Being a fast-moving electrical goods manufacturer in Delhi, India, with 3 huge manufacturing units, state of the art machinery and other facilities, we have successfully been able to establish a dealer network as well across the states of Punjab, Haryana, Delhi/NCR, West Bengal, Madhya Pradesh, Karnataka, Bihar, Tamil Nadu, Uttar Pradesh and Internationally have been able to hold a market place in countries like Dhaka, Biratnagar, and Kathmandu.
